SAFARI GRADE: CAMPING

An all encompassing journey starting with

Victoria Falls, the highlights of Namibia and Botswana. This is an adventure through some of the most spectacular areas in Southern Africa.

NB21 Namibia & Botswana Desert & Delta is the full tour. Also offered as an accommodated safari, see page 14.

NB15 Namibia & Caprivi, covers the Zambezi Region and Namibia, ending in Windhoek with access to int'l flights.

Overnight 12 nights on safari we stay at designated campsites, in or bordering national parks and towns. Formal campsites have hot and cold showers, laundry facilities & shops. In Windhoek we stay in pre-erected dome tents beds with shared ablutions.

2 nights in Swakopmund in a lodge with en suite twin bedrooms.

Meals 14 breakfasts, 11 lunches & 9 dinners will be provided by the Sunway crew, prepared at the vehicle & eaten around the camp fire or in a boma. For certain meals the group will sample local fare at restaurants (own expense).

Transport we use safari trucks with 12 seats for this tour. Potholes, corrugated gravel roads and livestock on the roads can make travel slow. There are some long drives, so sit back and enjoy the scenery! For the transfers into the Okavango Delta we use open 4WD vehicles with local guides.

Limited participation An essential part of your safari is participation. From putting up your tent to packing the truck in the morning – it's all part of your adventure. Your tour leaders will do all the meal preparation but we do ask for your help (on rotation) with the washing up. There are some long travel days which means early morning starts so we all need to get involved to make the day run efficiently.

Special Interest:

Namibia has a rich ancient rock art heritage. Our local guide in the Brandberg Tsiseb conservancy lands, will lead us on a walk to view the White Lady rock painting. It is usually assumed that the painting shows a ritual dance, and that the "White Lady" is actually a medicine man.

Sustainable Tourism:

In the Ugab wilderness region we camp at the White Lady Lodge campsite. A partnership was Signed in 2003 and the community benefit through employment and a percentage of the income of the lodge. There are also other spin-offs such as the sale of fire wood to the lodge.
